FROM THE CHAIRMAN

# MAKE ELECTION NIGHT VICTORIOUS

Friends...Republicans...Citizens...lend me your ears! Now is the time for all good people to come to the aid of their party. We are in the final countdown before Election Day, and we need everyone on board to help ensure a strong finish on November 7th.

We have a great slate of candidates this year, and we need to put forth every effort in these final days to ensure a Republican sweep on Election Day. Our local candidates have been running strong campaigns, but we don't want to take anything for granted. And while Frederick County will likely continue its track record of trending strongly Republican, our efforts to help boost turnout among the electorate will very likely make the difference between victory and defeat for our statewide candidates. Recall that in 2013, the Democrat Attorney General won by just over one hundred votes.

While the Republican Creed represents good ideas for sound governance, it can be challenging to get our message out through the smoke and mirrors of divisive identity politics. That's why our

door-to-door canvasses and phone banks are so crucial in turning out the vote—people respond positively to the personal touch, and need authentic interactions to persuade them not only to bother voting, but to vote Republican.

In these final days, please make the effort to help with phone banking and GOTV calls. Call or email Kate Singleton to sign up (405-863-1046 or [ksingleton@rpv.org](mailto:ksingleton@rpv.org)). We also need volunteers to work the polls on Election Day; you can sign up for a shift through

our website at [www.frederick-vagop.org](http://www.frederick-vagop.org). Our goal is to have a friendly volunteer at every single precinct, handing out sample ballots and encouraging voters to support the whole Republican ticket.

Make sure you talk to your friends, neighbors, and colleagues about the upcoming election—many people are not tuned in politically and just need an additional nudge to remember to vote on Election Day. You'd be surprised at how many people don't even realize that we have an election coming up!

Your engagement and commitment will make the difference in what is likely to be a very close election. We appreciate everyone's contribution, and look forward to celebrating a well-earned victory on Election Night!

~Rose Focht  
Chairman, FCRC

*Dr. Doug Favelo spoke at the September FCRC meeting, and gave a brief history lesson in honor of Constitution Month. His presentation on the Founders was particularly timely: Despite individual differences, they came together in a common cause to establish a new Republic. They were united not just in a rejection of failed tyranny, not just in the expediency of a political alliance, but in a commitment to the principles of excellence and classical virtue. Likewise, we need to set aside minor disagreements and work together to elect leaders who will advance a culture of law, order, and virtue.*

# OUR VICTORY OFFICE

is open for business! Many thanks to our elected officials and volunteers who came to celebrate the grand opening. Now through Election Day, come on down to 132 S. Cameron Street in Winchester to pick up signs and bumper stickers and sign up to volunteer.

# VOLUNTEER AS A POLL WORKER AT YOUR PRECINCT

Conservative friends,

In just a few days, we will be heading to the polls to elect the next Governor, Lt. Governor, and Attorney General of Virginia, as well as a host of local offices. We have the opportunity to change the direction of the Commonwealth by electing officials who hold dear the same conservative values that you and I embrace. To accomplish this, I need your participation on

the team as a Poll Worker. Poll workers play a critical role during elections by passing out literature about our Republican nominees. Polls are open from 6am to 7pm on Tuesday, November 7th. Even if you can only volunteer for a two-hour shift, it still counts and will help us push our team across the finish line.

Can we count on you to help? If you can work on Election Day for any length of time, please click

on the link below and sign up for the time and location of your choice:

You can also access the sign-up form through our website at [www.frederickvagop.org](http://www.frederickvagop.org). Thank you for your involvement!
