

WHY VOTE REPUBLICAN?

Because Frederick County VA Republicans believe in:

- **Personal Freedom**

The freedoms enshrined in our U.S. Constitution and Bill of Rights, along with a government of checks-and-balances that protect those freedoms.

- **Strong Economy**

It's not their money! Government can't create wealth, private industry does. We support boosting private enterprise, creating jobs, reductions in personal taxes and the lowering of energy costs while removing government-imposed barriers to growth. Government needs to be transparent and all public servants need to be held fully accountable to the law.

- **Public Safety**

We support law enforcement; the enforcement of laws; the removal of criminals from our streets and stopping the importation of drugs, terrorists, criminals, crime cartels and sex traffickers across our borders. We support the LEGAL immigration of people willing to contribute to the success of our unique American experiment.

- **Strong Families**

Government should have no role in dictating family values, the ideological grooming of children and school curriculums. Our schools need to be refocused on education, not indoctrination. We support school choice.

- **Personal Empowerment**

We support the intrinsic value of all human beings and oppose the pitting of Americans against each other based on differences in religion, ethnicity, race and gender. Every American should be empowered to pursue their own happiness, not crippled with ideologies of victimhood and grievance.
